

Course of Study Evaluation

The following course of study statements have been taken from actual IEP's in Tennessee schools following a 2015-16 review of transition plans. Each area will **require improvement**. Use the rubric provided below to evaluate each course of study to identify areas of strength and areas to be improved.

	Occurs while still in high school	List Courses (academic)	List Courses/Skills (non-academic)
No - Example	<ul style="list-style-type: none"> Attend community college 	<ul style="list-style-type: none"> CDC TBD General Education Courses 	<ul style="list-style-type: none"> Life skills Career related electives Electives
Yes - Example	<ul style="list-style-type: none"> Courses and experiences to occur while student is still in high school (English I, Daily living skills, etc.) 	<ul style="list-style-type: none"> Algebra I, U.S. History, English I Personalized math, personalized ELA, Wellness/PE 	<ul style="list-style-type: none"> Daily living skills Grocery shopping and budgeting Practice interviewing skills Life span development Work preparation and transition

* Not an exhaustive list or courses.

1.

Grade 9 Course of Study: Language Arts, Mathematics, Wellness/PE, Life Skills classes

Grade 10 Course of Study: Language Arts, Mathematics, Science, Vocational classes

Grade 11 Course of Study: Language Arts, Mathematics, Skills, Vocational classes

Grade 12 Course of Study: Language Arts, Mathematics, Life Skills, Vocational classes

2.

Grade 9 Course of Study: General Classes

Grade 10 Course of Study: General Classes

Grade 11 Course of Study: General Classes

Grade 12 Course of Study: General Classes

3.

Grade 9 Course of Study: English I, Algebra 1a, U.S. History, Core Construction, Environmental Science, Biology 1a, Math Intervention

Grade 10 Course of Study: TBD

Grade 11 Course of Study: TBD

Grade 12 Course of Study: TBD

4.

Grade 9 Course of Study: Required coursework to receive a general education diploma.

Grade 10 Course of Study: Required coursework to receive a general education diploma.

Grade 11 Course of Study: Required coursework to receive a general education diploma.

Grade 12 Course of Study: Required coursework to receive a general education diploma.

5.

Grade 9 Course of Study: Grade 7 – English, Math, Science, Social Studies, Encore

Grade 10 Course of Study: Grade 8 – English, Math, Science, Social Studies, Encore

Grade 11 Course of Study: Grade 9 – Algebra Ia, English 9, Physical Science, Lifetime Wellness, World Geography, Health Science Education

Grade 12 Course of Study: Grade 10 – Algebra Ib, English 10, Biology, PE, U.S. History, Diagnostic Medicine, Visual Arts

6.

Grade 9 Course of Study: All CDC/Life Skills

Grade 10 Course of Study: All CDC/Life Skills

Grade 11 Course of Study: ALL CDC/Life Skills

Grade 12 Course of Study: All CDC/Life Skills

7.

Grade 9 Course of Study: English 9, Algebra Ia, PE, Personal Finance, Biology, Environmental Science, World Geography, Elective

Grade 10 Course of Study: English 10, Algebra Ib, Physical Science, Economics, Agriculture Science, World History, Elective

Grade 11 Course of Study: English 11, Geometry A, History of Rock, Nutrition, U.S. History, U.S. Government, Electives

Grade 12 Course of Study: English 12, Geometry B, Transition Course

8.

Grade 9 Course of Study: Student is in 7th grade, TBD determined in spring of 8th grade year.

Grade 10 Course of Study: Student is in 7th grade, TBD determined in spring of 8th grade year.

Grade 11 Course of Study: Student is in 7th grade, TBD determined in spring of 8th grade year.

Grade 12 Course of Study: Student is in 7th grade, TBD determined in spring of 8th grade year.
